Sr. Manager Resource Mobilisation @ Mobility India | Workshop Facilitator

Bengaluru, Karnataka, India

Summary

At Mobility India, we've shaped robust strategies for fundraising and partnerships, fostering a culture of advocacy and community engagement. Our collaborative efforts in developing strategic plans and outreach initiatives have significantly furthered the mission of empowering people with disabilities.

With a strong focus on strategy development and grant writing, our team has excelled in creating impactful communication materials that resonate with diverse stakeholders. We're dedicated to nurturing the rights and inclusion of marginalized groups, particularly women, and contributing to the advancement of disability and rehabilitation practices.
